| Das Feuchtgebüsch liegt südlich der Peene und wird von großflächigen Feuchtwiesen eingeschlossen. Die feuchte Strecksenke weist vor allem Antorf und degradierten Torf auf. Das Feuchtgebüsch ist von extensivem Grünland und einem wasserführenden Graben umgeben. Dominierende Vegetationseinheiten sind Zaunwinden-Grauweidengebüsch und Brennessel-Schilfröhricht. |   |                                                                                                                                                                                                                                                                                                                                                                                       |   |           |                                               |                  |                                                                                                                                                                                                                                                                                                                                |           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                          |   |                                                                                                                                                                                                                                                                                                                              |  |   |  |                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                    |   |   |                                                                                                                                                         |  |   |   |   |   |  |  |  |                                                                                                                                                                                                                                                                                                                                                                                |  |   |   |   |   |   |   |   |                                                                                                                                                           |  |   |   |   |   |
